

The Trial of our Faith - Pt 13
Real Religion Requires Repentance
Two Examples of Arrogance

James 4:1—5:6

In verses 11 and 12, James indicts us for...

1. Being Arrogant When We _____ against One Another.

God cares about our relationships with each other. Matthew 18:15-20

Galatians 6:1-2; 1 Corinthians 4:2-5; 1 Corinthians 4:6;

2. Presuming _____ Success

James 4:13-17; Proverbs 27:1; Luke 12:16-21; James 4:13

The illustration makes a number of false assumptions:

First, this fellow assumes that he will be _____ in the future.

Second, he assumes that he will be in a _____ place at a certain time.

Third, he assumes that he will start a _____ business and make a profit within a specified period of time.

Psalm 39:4-11; Psalm 144:3-4; James 4:15

The lesson we can take from this study tonight is that we should not be arrogant and always speak of the future in terms of whether it is God's will or not.
