September Theme – Working Together
Using Our Gifts of Grace

Romans 12:3-8

Ephesians 2:8-10

Grace (*def*) - Grace is an essential part of God's character. Grace is closely related to God's benevolence, love, and mercy. Grace can be variously defined as "God's favor toward the unworthy" or "God's benevolence on the undeserving."

1. God's Gifts of Grace are _____

2. God's Gifts of Grace must be _____

3. God's Gifts of Grace must be _____

1 Corinthians 12:12

The reason you have been given something to share is that you are _____ to share it.

A gift must be given. We know today that any grace that we have has been given to us by God for the betterment of His body.

And as such **it must be received**, as a graceful gift with a grateful heart.

And we must share it.

We should be excited to share what God has placed within us.
